## Privacy Statement

accounts.byhoxby respects your right to privacy. Any personal or company details received via our website will ONLY be used by us. We do not sell or otherwise give away your private information to any third party. Where appropriate to do so, the details held will only be used to update you regularly with details of our company and our services. By providing your details to us, you have consented to us contacting you in this way.

We may occasionally be required, either by law or to carry out our responsibilities as a regulator and a professional body, to collect, use and share certain types of personal information to comply with the requirements of government departments, agencies and regulators.

We are committed to ensuring that your information is secure. In order to prevent unauthorised access or disclosure, we have put in place suitable physical, electronic and managerial procedures to safeguard and secure the information we collect online.

## Cookie Usage

We may collect information about your computer, including your IP address, operating system and browser type, for system administration and in order to create reports. This is statistical data about our users' browsing actions and patterns, and does not identify any individual.

The only cookies in use on our site are for **Google Analytics**. Google Analytics is a web analytics tool that helps website owners understand how visitors engage with their website. Google Analytics customers can view a variety of reports about how visitors interact with their website so that they can improve it.

Like many services, Google Analytics uses first-party cookies to track visitor interactions as in our case, where they are used to collect information about how visitors use our site. We then use the information to compile reports and to help us improve our site.

Cookies contain information that is transferred to your computer's hard drive. These cookies are used to store information, such as the time that the current visit occurred, whether the visitor has been to the site before and what site referred the visitor to the web page.

Google Analytics collects information anonymously. It reports website trends without identifying individual visitors. **You can opt out of Google Analytics without affecting how you visit our site –**

for more information on opting out of being tracked by Google Analytics across all websites you use, visit this [Google page](#).
